Dear Bruce,

The Chemung County Soil and Water Conservation District would like to say "Thank You" for participating in our annual Environmental Conservation Field Days.

Without wonderful people like you, our event would not take place. I know that the students and their teachers appreciate all that you do. It was a pleasure meeting you and also working with you.

I hope you have a safe and wonderful summer and hope to see you again next year.

Sincerely,

A handwritten signature in blue ink that reads "Karen".
